"As you know, Russia has established an Embassy in Ceylon for the first time. There have been, according to the writer, two Reds appointed to Ministerial posts and the Communists are now actively supporting the Government of Ceylon. The largest radio station there has already advised that, upon expiration of contracts, no further time will be available for broadcasts favoring Christianity. Billy Graham has already been removed because of a remark he made recently against Russian behavior.

With best personal regards, I remain

Sincerely yours,

William F. Knowland
